MANAGE YOUR TOOLS.
ANYWHERE.[™]

INVENTORY MANAGEMENT SOLUTION

DO YOU KNOW WHERE YOUR TOOLS ARE?

Pros spend about
1 work day per week
looking for and waiting for
tools on the jobsite[†]

**Thousands of dollars
per year** are lost due to
poor inventory management^{††}

91% of professionals
completely agree that not
having the right tools on the
jobsite decreases productivity[‡]

[†] The estimated inventory management figure is per pro and includes inefficient labor costs plus the estimated yearly cost of replacing lost or stolen tools. Based on survey, the average was 7.65 hours per week spent looking for and waiting for tools and is included as inefficient labor time. Construction laborer rates based on Bureau of Labor Statistics 2015 data.

[‡] Estimate based on 1,018 professional contractors surveyed.

MANAGE YOUR TOOLS. ANYWHERE.™

1 | TOOL CONNECT™ PRODUCTS

2 | TOOL CONNECT™ APP

3 | INVENTORY MANAGER WEB PORTAL

TOOL CONNECT™ IS A 3-PART INVENTORY MANAGEMENT SOLUTION DESIGNED TO HELP YOU SAVE TIME AND MONEY.

Connect, track, and customize your tools and assets across multiple jobsites. Data from the mobile app automatically updates in your Tool Connect™ Inventory Manager Web Portal at the office or tool crib to give you real-time information.

TAKE CONTROL WITH TOOL CONNECT™

Tools, Tag, Connector and batteries with integrated Bluetooth® technology seamlessly pair with your app.

4 WAYS TO CONNECT

INVENTORY MANAGEMENT

Track tools, equipment and materials across multiple jobsites from one central location.

FIND & LOCATE

Instantly see who was last assigned to a connected asset and where it was.

CUSTOMIZE SETTINGS

Customize settings like light brightness, speed, and alerts using the mobile app.

MONITOR DIAGNOSTICS

From battery status to operating temperature, get real-time diagnostics.

ENABLE & DISABLE

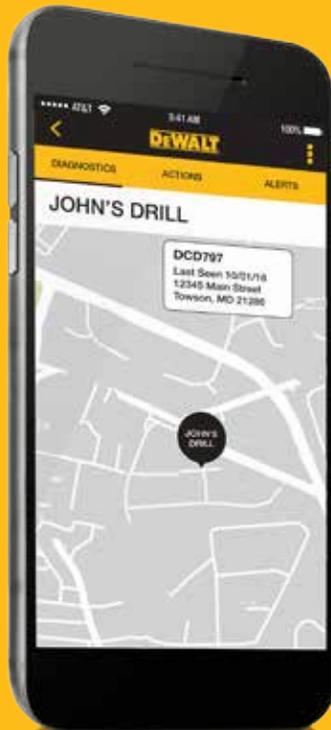

Disable tools or batteries when out-of-range to help deter theft.

OUT-OF-RANGE ALERTS

Set a virtual fence and get alerts when tracked tools, equipment or materials are removed.

SEE HOW TOOL CONNECT™ FITS INTO YOUR DAY

5:00 AM

KNOW WHAT TOOLS YOU'RE TAKING TO THE JOB

Look at your inventory list to see what's in the truck each morning.

6:00 AM

DON'T WORK IN THE DARK

Set a schedule so lights automatically turn on when you get to the site.

8:00 AM

SET A SPEED & FORGET IT

Installing cabinets? Drilling holes for rough-in? Customize your tool so you're always using the ideal speed.

1:30 PM

MAKE SURE YOU PACKED EVERYTHING UP

Get Out-of-Range alerts so you know if someone walks off with a tool at the end of the day.

10:00 AM

KNOW WHERE YOUR TOOLS ARE

Put a Tag on the delivery van and see where it is throughout the day, so you know when to expect your deliveries.

2:00 PM

CAN'T FIND A TOOL?

Use "Search Community" to extend your range and see if someone accidentally took it offsite.
